30.		Udaipur
31.		Uttar Pradesh
32.	Uttarakhand	Chamoli
33.	West Bengal	Siliguri

**Setting up and running of District De-Addiction Centre (DDAC) will be done as per the following guidelines-**

1. There will be a District De-Addiction Centre (DDAC) preferably in

each district headquarter or suitably accessible place where rent free accommodation is provided by the district administration. These DDACs would provide comprehensive facilities hitherto being provided by IRCA, ODIC & CPLI together.

2. The districts, which have all the three existing facilities i.e. IRCA, CPLI, ODIC and being financially supported by the Ministry, will be brought under one roof. The existing IRCA, CPLI or ODIC in the same district will be shifted to DDAC building to be provided by the District Authority.

3. The functioning of DDAC will be monitored by the Committee headed by the District Magistrate, which has been formed under Nasha Mukta Bharat Abhiyaan (NMBA). Additionally, retired eminent personalities of the Districts, activists, Vice-Chancellor/ Head of Department (HoD)/Principal, researcher, scholars and so on may be co-opted by Chairman as the members of the Committee. This committee would only monitor policy related issues. Day to day and other activities relating to implementation would be the responsibility of the concerned organization/NGO approved for setting up of the DDAC.

4. The Meeting of DDAC is to be held at least once in 6 months, where it will approve the expenditure incurred by DDAC on various activities permissible under NAPDDR. The Committee will also review the functioning and assess the performance of the DDAC in terms of the effectiveness of deliverables and make further suggestions to the management of DDAC.

5. A separate (dedicated) account will be opened for keeping funds of DDAC in the name of NGO/Organization. The account will be registered on PFMS and implemented through EAT Module.

6. For setting up of DDACs, preference would be given to those Districts, which do not have any facility of IRCA, CPLI, or ODIC. For this, the organization /start-up willing to work in the field of drugs will be eligible for applying for DDAC.

7. Start-up of young persons/ professionals, who have graduated from top social institutes of India or abroad are also eligible to apply.

8. The interested NGOs/Startups/organizations can apply through e-Anudaan (<https://grants-msje.gov.in/ngo-login>) portal of the Ministry. The Project Selection Committee in the Ministry will select the eligible NGO(s)/start ups for establishing and running of the DDAC and recommend the release of funds in two installments. However, the Org. shall be eligible for receiving GIA under the scheme from the date of approval of the competent authority.

9. This advertisement is subject to the approval of the Cabinet of the revised scheme of NAPDDR.
10. **Eligible Organization:** Organizations which are already running MoSJE supported IRCA or State Government supported De-addiction Centre/Government Hospital or any private run De-Addiction centre registered under Mental Healthcare Act, 2017 would be eligible for applying for DDAC. Organisation can apply only for that State/UT in which they are already running IRCA/De-addiction Centre from the last 2 years or more from the date of call for the proposal. Condition may be relaxed for any Government run Hospitals/ New Startups/ establishments by young professionals which are non profitable in nature.

### Role and Responsibility of DDACs

The main focus of the DDAC is early prevention, education, demand reduction, identification, treatment and rehabilitation services of vulnerable individual or individuals affected by substance use disorders.

DDAC would

- a. Conduct primary prevention activities through awareness programs among the vulnerable and affected community
- b. Engage in risk mitigation of substance use among children/ adolescent/youth by:
  - Preventing substance use
  - Delaying initiation of substance use
  - Identify and train selected peer educators in the community
  - Implement early prevention education led by trained peer educators
  - Provide awareness about referral and linkage to counseling, treatment and rehabilitation services for substance dependent adolescents identified in the community
  - Identifying adolescents and other individuals subjected to substance use and facilitating their referral/ admission into Rehabilitation Centers/ Drop In Centres.
  - Provide a whole range of services which includes treatment, after care and rehabilitation including skill development for Whole Person Recovery (WPR) of dependents;
  - Undertake drug demand reduction efforts to address all forms of illicit use of any substances and ensure overall well being of humankind;
  - Alleviate the consequences of substance dependence amongst individuals, family and society at large.

11. The last date of submission of proposal is 30.11.2021.
